Mr. José Ramón Melón Masip

(Director of Engineering & Maintenance)

To the attention of **Grupo Madeplax**

Dear Sirs,

I would like to formally express our appreciation for the work carried out by Grupo Madeplax at the Princess Grand Jamaica hotel.

Your contribution in wood, aluminum, glass, and steel carpentry has been essential to the successful development of the project, delivering high-quality solutions with outstanding technical execution.

We would particularly like to highlight the installation of the pergolas and the glass wall, both of which have significantly enhanced the architectural value, functionality, and overall guest experience in the hotel's outdoor areas.

We sincerely appreciate your professionalism, responsiveness, and commitment throughout every phase of the project. It has been a pleasure to collaborate with a team that demonstrates technical expertise, reliability, and a consistently constructive approach.

We look forward to continuing our collaboration on future projects.

Sincerely,

Mr. José Ramón Melón Masip
